

Dear sending organizations and volunteer-candidates,

Centre of Leisure Time Activities – JUNIOR, located in central Slovakia, is looking for 1 EVS volunteer for the 1st of April deadline for our project **2007-SK-14**. This EVS placement will **start in September 2010 and last 10 months (until July 2011)**. The first round of selection is planned for the 10th of March.

Our organization is situated in Banská Bystrica, a city surrounded by mountains, rich in history, culture and nature beauty (<http://eng.banskabystrica.sk/>). It is also a city where many young people come to study on our university.

Since 2003, our organization has rich experience with hosting EVS volunteers from various countries, with mainly positive ☺ experience. We put efforts to continually upgrade the level of our project for the mutual satisfaction of our community and the volunteers.

Volunteer placement in our centre will include (amongst other tasks but also in consideration of volunteer's own ideas and capabilities):

- Living together with 1-2 other EVS volunteers in a flat close to the city centre
- Working in office planning and support activities
- Working (most often) with disabled children and/or adults
- Organizing various workshops for kids and youngsters
- Presenting EVS experience, home country and personal skills to various audiences
- Assisting during sport, language and subject competitions in secondary/high schools
- Study of Slovak language
- Development of own volunteer's project(s)
- Nonformal and informal activities, adventures, meetings with other young people
- Vacation upon agreement
- Food and pocket money: 210€ in total per month
- See http://ec.europa.eu/youth/evs/aod/hei_form_en.cfm?EID=68000161101 for much more info.

The Important thing is that **EVS in our organization is usually influenced by how the volunteers want it to be and how their work develops** – we support our volunteers in their ideas and try to be helpful in reaching their objectives, if they are compatible with our aims.

Candidates, who are **seriously interested in our particular project** can send their CV and motivation letter to: stnad@juniorbb.sk

There will be some more communication needed between us and pre-selected candidates and their sending organizations.

We are looking forward to read or even hear from you soon!

Best regards,

Ondrej Strnád
